This game has existed for 31 years, with many versions. And recently, a monument to the line of antagonism of the game was officially available on the Android game market despite the iOS version of the game launched six years ago. Join us to enjoy this ultimate game by downloading games on your device. Contents [ShowHide]NameStreet Fighter IV Champion EditionPackagejp.co.capcom.sf4cePublisherCapcomCategoryFightingVersion1.02.00Size28MMOD FeaturesFull UnlockedRequiresAndroid 4.4It is a famous game, everyone knows that the whole game is a battle 1vs1. You must defeat all enemies in the game to be able to win the game. These are the battles of life and death, only one of them can survive. Do you want to be a loser in this game? The visual control systemThe Street Fighter IV Champion Edition control system is quite simple, with many similarities to other games on the market. Moreover, the game has greatly improved capcom publisher, making it even easier for players to make beautiful combo sets. Especially if fighting for a while, you will accumulate enough to use the ultimate skill. Basically, the game has a virtual key to control character movement and four buttons that match the character's four skills. A combination of magic skills will help you create a beautiful combo, causing a critical hit on the enemy. As I see pc we can make a smoother move, but Street Fighter IV Champion Edition is enough that you will feel good. In the Game of Fun, you will be selected from the 32 characters in the game. They're all heavyweights, assassins, mercenaries... with a lot of fast killer moves like electricity. You have the opportunity to meet classic characters from Street Fighter IV Champion Edition series like Ryu, Chun-Li, Guile, Zangief, etc. Each character has different strengths and weaknesses, so you have to look for a character that fits the game. The attractive modesStreet Fighter IV Champion Edition holds many unique modes. AI mode allows you to explore the plot of the game. Four difficulty levels in the game will help you train your skills masterfully. If you love wonderful battles, PVP mode is for you. Especially in this version, when connected to the Internet can be challenged by other players around the world. Fun has almost the same power, so your skill is what makes the difference. Practice hard and beat all the other players, take credit. Also, Street Fighter IV Champion Edition has many other special ways you can experience. However, some modes and characters in the game are limited. You have to spend money to open the whole game. If you are a player, it is very exciting to experience the whole game. If not, no problem. I think the main mode of the game is enough attraction, making you play all day without being bored. GraphicsThe game has classic 2D graphics, but it is also upgraded to be pretty nice and detailed. The manipulation of characters in battle is quite smooth, flexible. In addition, special skill effects are also unique. In addition, the sound system also communicate well with the game, making the battle more fierce. In 10,000, with these elements, it's safe to download the Street Fighter IV Champion Edition. You will be immersed in a world of boxers, deadly samurai and frantic battles. For only \$4.99, you can open the full version of the game and own a very exciting action game.
